

## RGE Tech Tips from the Field – Client Edition

*Topic: The RGE Tech Confidence Path*

### The RGE Tech Confidence Path

A simple roadmap you can follow at your own pace.

From quick help... to proven solutions... to confident independence.

---

#### Rung 1 — Start Here

##### RGE Core Services

*Fast, friendly tech help when you need it — right from the start.*

##### Focus:

Fix the issue in front of you and get a quick win.  
Designed for quick access from your phone.  
Short pages. Clear steps. Fast help.

---

#### Rung 2 — Build Confidence

##### RGE Archives

*Practical tips & past seminars organized so you can find answers fast.*

##### Focus:

Recognize patterns and solve familiar problems with less stress.  
Best explored on a tablet or larger screen for comfortable browsing.

---

#### Rung 3 — Own Your Tech

##### RGE Learning

*Step-by-step learning that builds real confidence using your devices.*

##### Focus:

Use your devices with confidence and with less reliance on external support. Ideal for desktop or laptop when you're ready to go deeper.

---

#### How to Use This Path

- Start at the rung that feels comfortable—there's no wrong place to begin.
- Move forward as your confidence grows; you don't have to rush.
- Come back anytime you need a quick refresher or a confidence boost.
